# About Us

The Arch KBB story began nearly 20 years ago in our Hammersmith design studio, where we started crafting exquisite, tailor-made kitchens, bathrooms, and bedrooms.

As a design-led company, we embrace limitless possibilities in bespoke design. Our commitment to creativity ensures that each space uniquely reflects your personal style, sourced from a diverse range of trusted suppliers for superior quality and style.

We offer comprehensive services from concept to completion, including installation of kitchens, bathrooms, wardrobes, and bespoke joinery. With our team of in-house experts, you can expect nothing less than perfection.

# Our Kitchens

Arch KBB offers a broad range of styles, spanning from sleek contemporary handleless designs to cosy and traditional shaker kitchens. Our specialist team works with you to create and install a space that has been tailored to your style and has been built to last.

With each kitchen made to order, the possibilities for personalisation are endless. We supply innovative appliances from the best manufacturers in the industry, to seamlessly integrate luxury and functionality into your design.

# German Kitchens

The German Kitchen Collection at Arch KBB has been carefully curated to include only the finest selections to create beautiful, sleek designs.

These high-quality, elegant spaces are crafted with meticulous attention to detail, from smooth lacquered fronts to eco-friendly components. Led by our expert design team, we aim to deliver distinctive kitchens that blend sophisticated style with exceptional functionality.

# Italian Kitchens

Redefining the kitchen space with timeless, Italian craftsmanship, our Italian collection combines authentic materials and exquisite functionality. Guided by a minimalist aesthetic, these spaces offer a bespoke experience where design and technology meet to create adaptable and luxurious environments for everyday living and sharing.

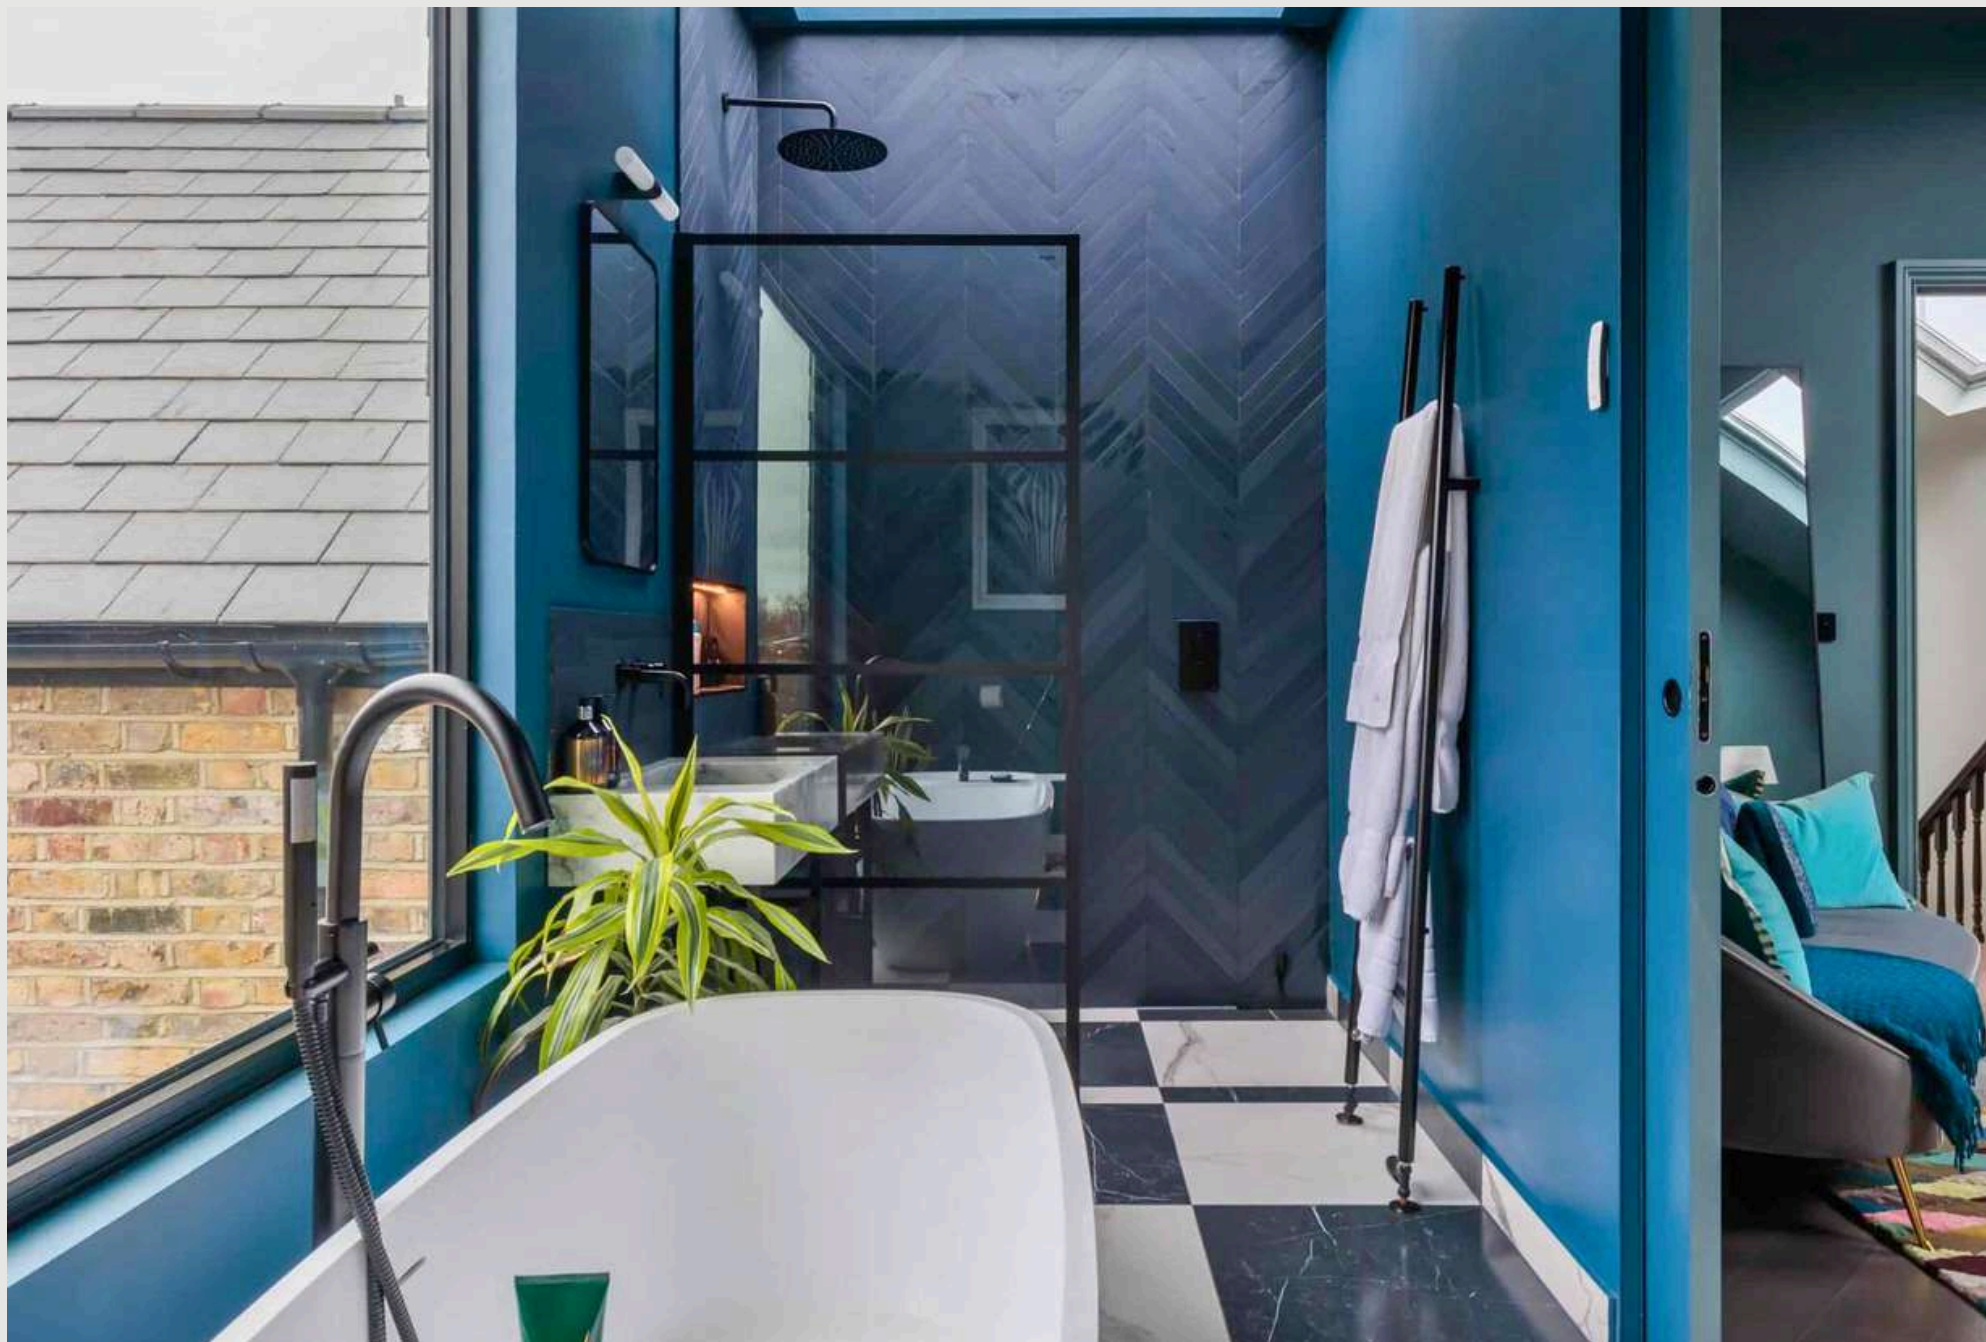

# Bespoke Kitchens

Create a kitchen perfectly crafted around you and your space with our elite bespoke range. Select from our extensive collection of high-quality materials and unique colour palettes to realise your unique vision.

Our commitment to excellent craftsmanship ensures that each kitchen is created with the utmost care and precision, designed to last a lifetime.

# Our Bathrooms

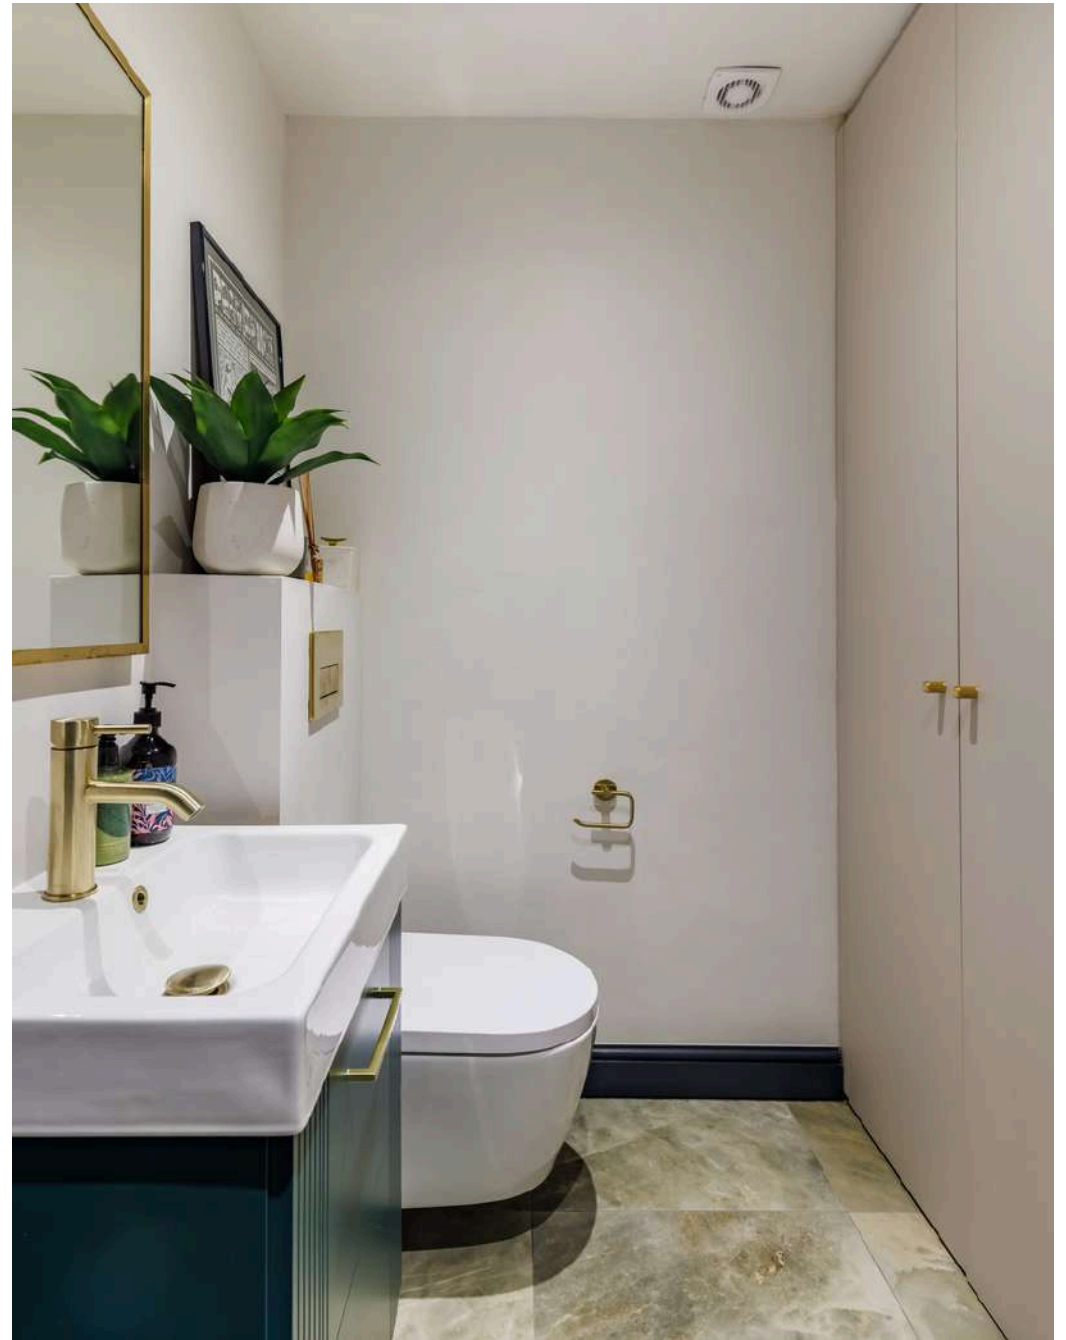

Our exquisite bathroom offering at Arch KBB is certain to transform your space into a sanctuary of relaxation and indulgence.

Our exceptional range of brassware and fixtures, coupled with our innovative storage solutions, ensures that you can create your ideal space—both luxurious and efficient.

Regardless of the shape or size of your bathroom, our turnkey service provided by our expert team delivers a stress-free and streamlined installation process from start to finish.

# Our Bedrooms

A bedroom is more than a place to sleep, it's a peaceful refuge where every detail contributes to your comfort and peace of mind. Arch KBB expertly crafts bespoke, hinged and sliding wardrobe solutions that blend elegance with functionality. All of our bedrooms are designed around your lifestyle, with every inch planned to maximise space and enhance accessibility.

Engineered for smooth operation and durability, our wardrobes add a sophisticated touch to any space, reflecting your style and decor.

# Why Choose Arch KBB?

- A DESIGN LED TEAM

Tap into our design expertise to reflect your personal style and transform your space.

- SIMPLIFIED PROCESS

Experience the ease of a single point of contact, streamlining every aspect of your renovation.

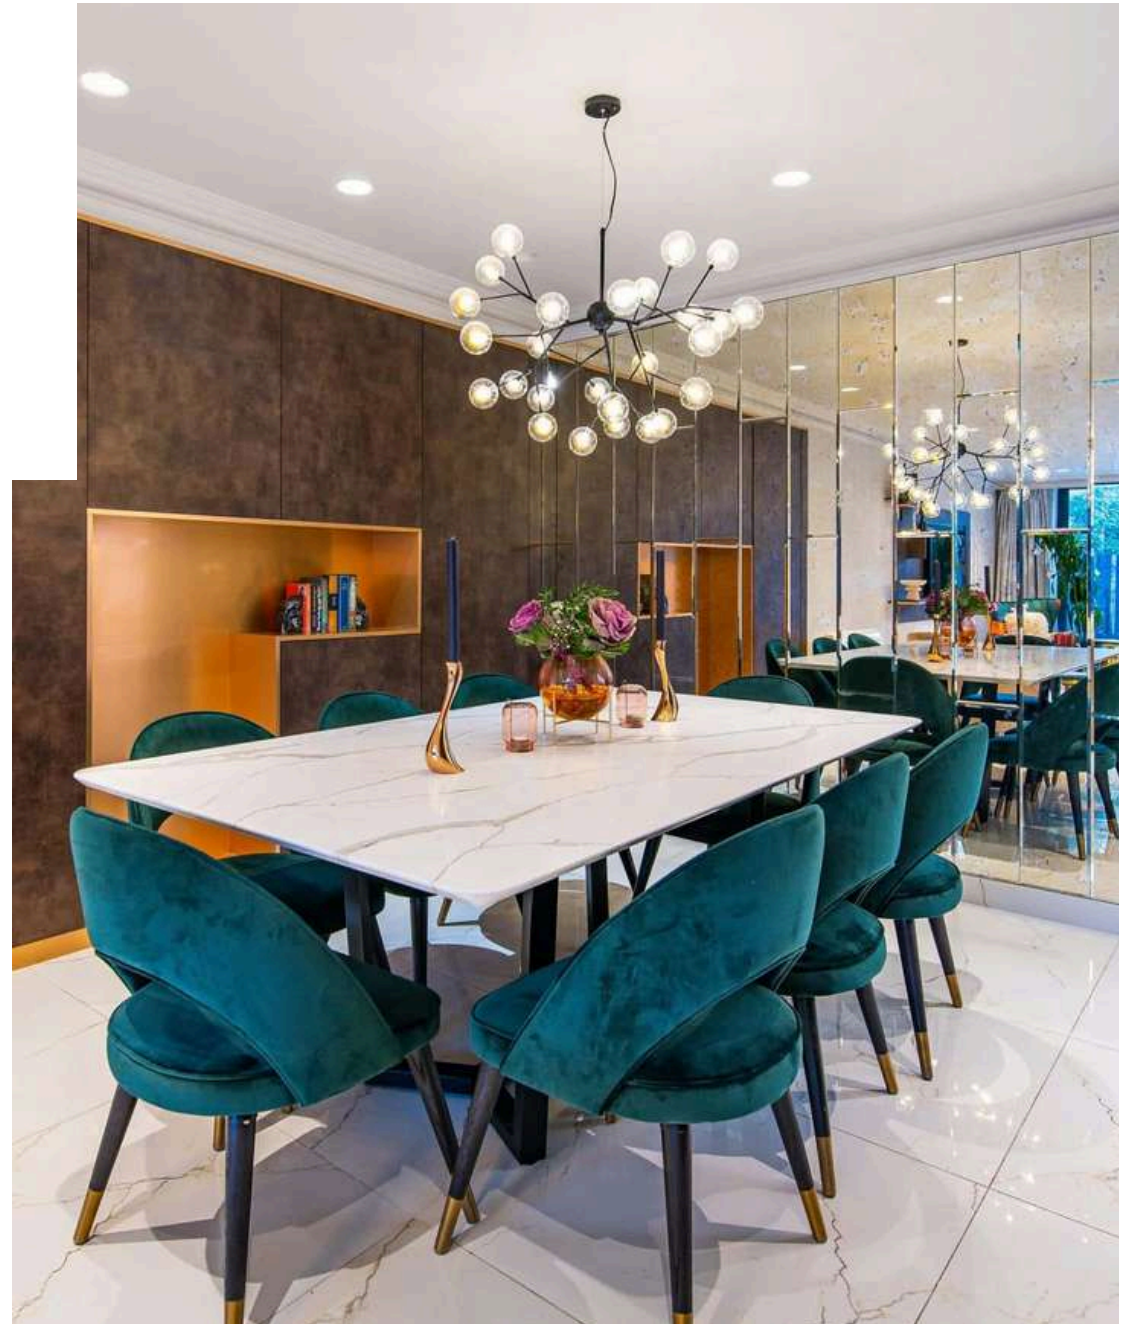

# Your Journey With Arch KBB

## 1. INITIAL CONSULTATION

Your journey begins with a personal consultation at our showroom. Here, we discuss your needs and style preferences. This initial meeting helps us understand your lifestyle and how you use your space, allowing us to tailor our designs to suit your daily life.

## 2. DESIGN

Our designers begin crafting your new room. Using state-of-the-art 3D design technology, we will bring your vision to life, allowing you to visualise your new space in detail. We offer revisions to refine the design, ensuring every element is to your satisfaction.

### 3. YOUR MATERIALS

Once the design is approved, we guide you through the selection of materials. Arch KBB prides itself on sourcing a wide range of high-quality materials and finishes from trusted suppliers. Whether you're looking for the latest in luxury modernity or classic charm, we have the options to match your aesthetic perfectly.

### 4. INSTALLATION

We coordinate a full turnkey installation service, scheduling works at your convenience and ensuring minimal disruption to your home life. Our experienced installers are committed to precision and will manage every detail, adhering to the highest standards.

### 5. AFTERCARE

Upon completion of your kitchen, we walk you through the new space to ensure every detail is to your liking. Arch KBB offers a one-year workmanship guarantee. Plus, our customer service team is always on hand to provide aftercare advice and support.

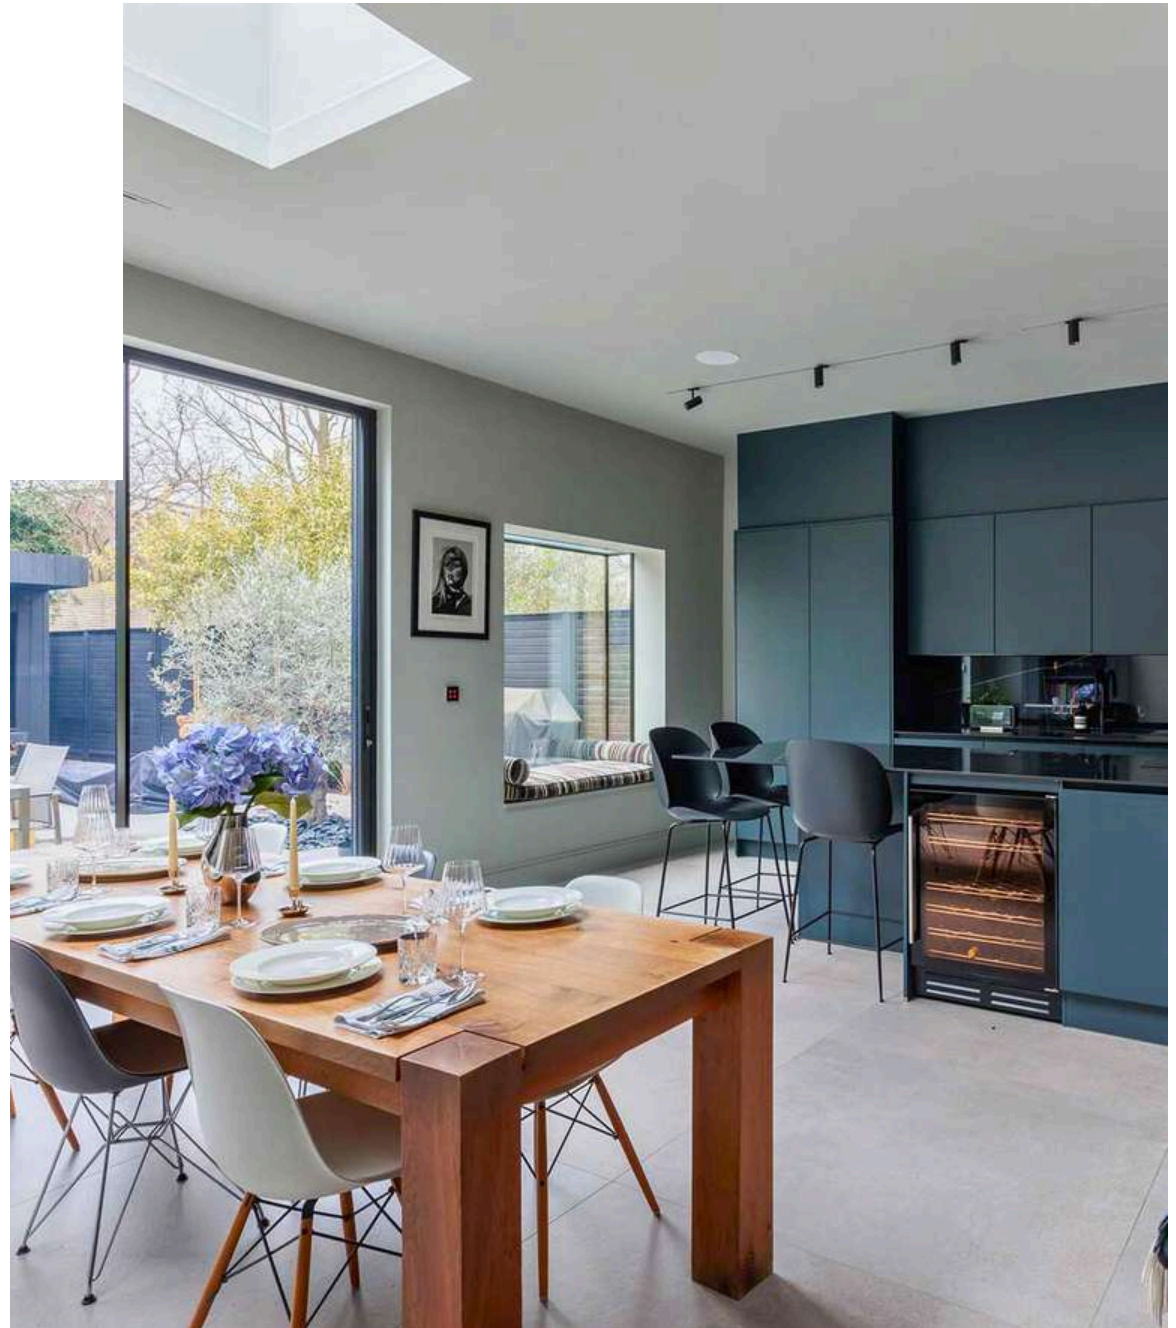

# Our Portfolio

With two decades dedicated to crafting breathtaking spaces, we take the time to fully understand our client's visions and work meticulously to bring them to life.

Each of these bespoke rooms has been thoughtfully designed to maximise the potential of the client's home and carefully installed, resulting in an exceptional finish and a enduring space.

Showcasing our beautiful materials and outstanding craftsmanship, browse some of our exquisite transformations, designed and installed in homes throughout London.

# Sophisticated In Frame

## Chelsea

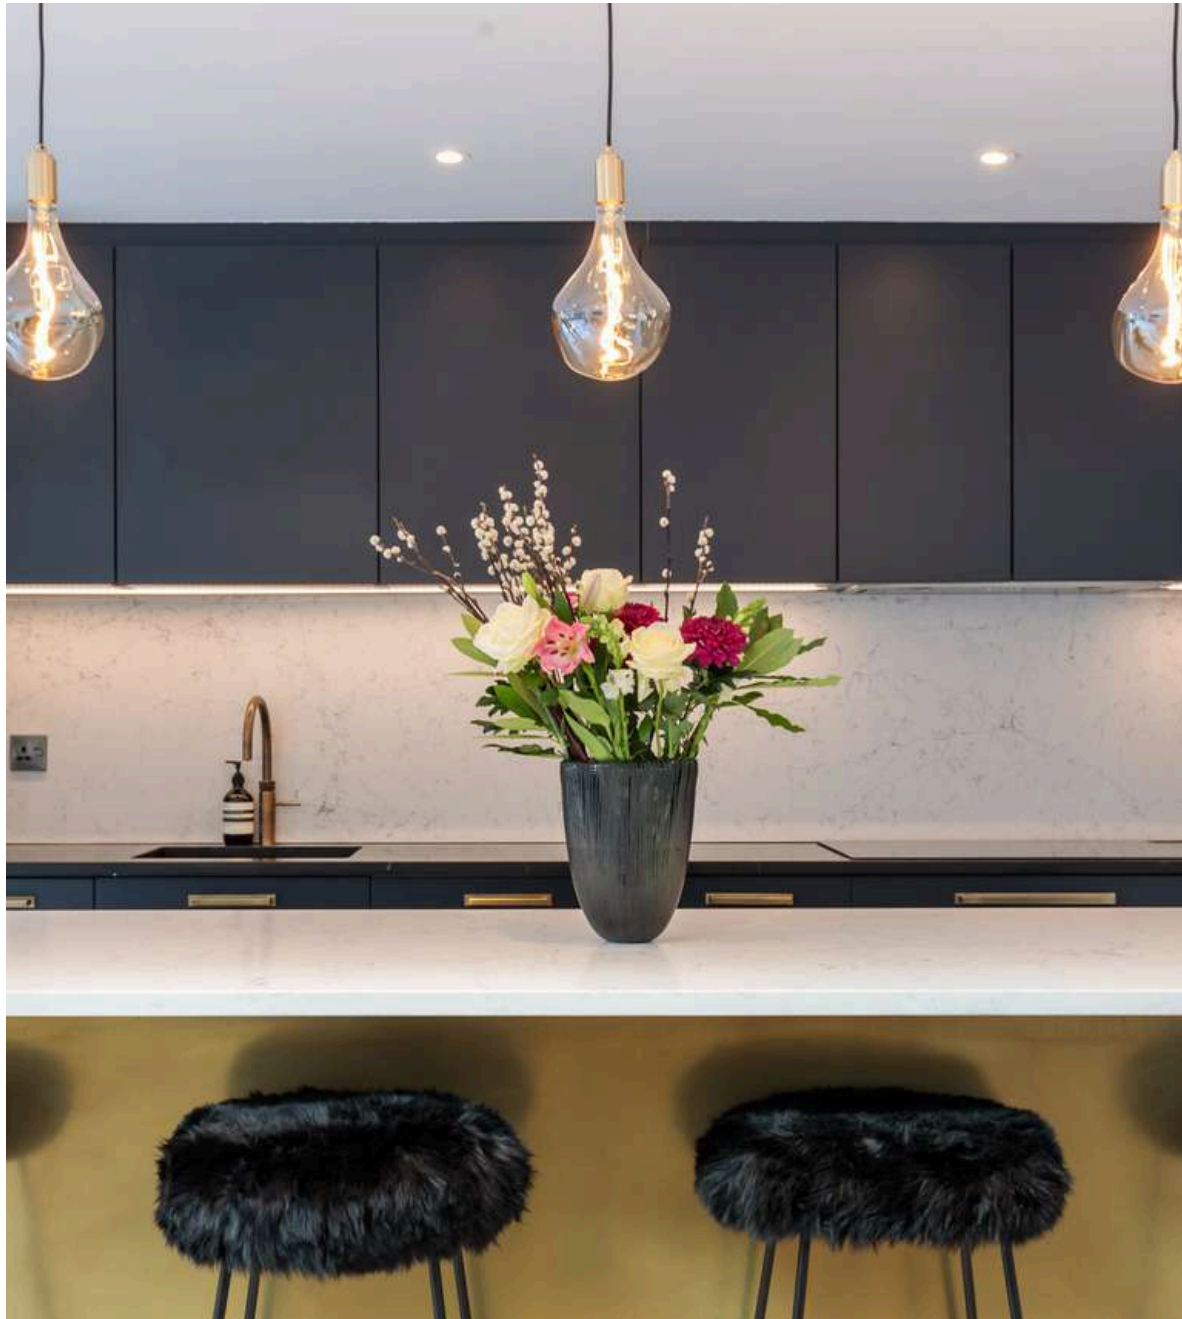

This bespoke Chelsea kitchen blends sophistication with modern charm. Cream in-frame cabinetry offers ample storage, while a deep green double-sided island with quartz worktops creates a striking focal point. Integrated appliances, including a Gaggenau oven and Quooker tap, ensure a sleek, clutter-free design.

A hidden door leads to a bespoke pantry with a pull-out spice rack, maintaining seamless flow. Just beyond, a crafted wine rack adds a refined touch, enhancing both function and style.

# Sleek Contemporary Kitchen

## Finsbury Park

This kitchen, designed to exude timeless charm, provides modern-day convenience for this busy family in Finsbury Park.

The focal point of this kitchen is the breathtaking island with its quartz countertop and striking gold accent. The streamlined design showcases a contemporary masterpiece whilst being highly durable and easy to maintain.

Bold pendant lights and integrated appliances add a new level of sophistication, embedding luxury and innovative functionality into this home.

**DISCOVER MORE**

# Bespoke English Kitchen

## South Acton

This beautiful kitchen combines porcelain white and sage green, to create a harmonious blend of natural and earthy tones in this bespoke English shaker kitchen.

Our designers enhanced the rustic charm of the space with exposed brick walls that lend an industrial edge and included a vast skylight to flood the space with natural light.

The island, with its wide countertop and integrated seating, highlights the intricate details of this bespoke design and provides a dynamic and welcoming atmosphere.

# Vibrant Green Shaker

## Mile End

We designed an open-plan layout to create a contemporary and spacious feel in this Mile End home.

This striking classic green combined with brass accents, creates a unique vibrant shaker kitchen that perfectly encapsulates the client's tastes.

They integrated a traditional Lofra range cooker and bespoke cladded extractor fan with floating shelving to provide warm ambient lighting adding to the welcoming and homely atmosphere.

# Luxurious Shaker

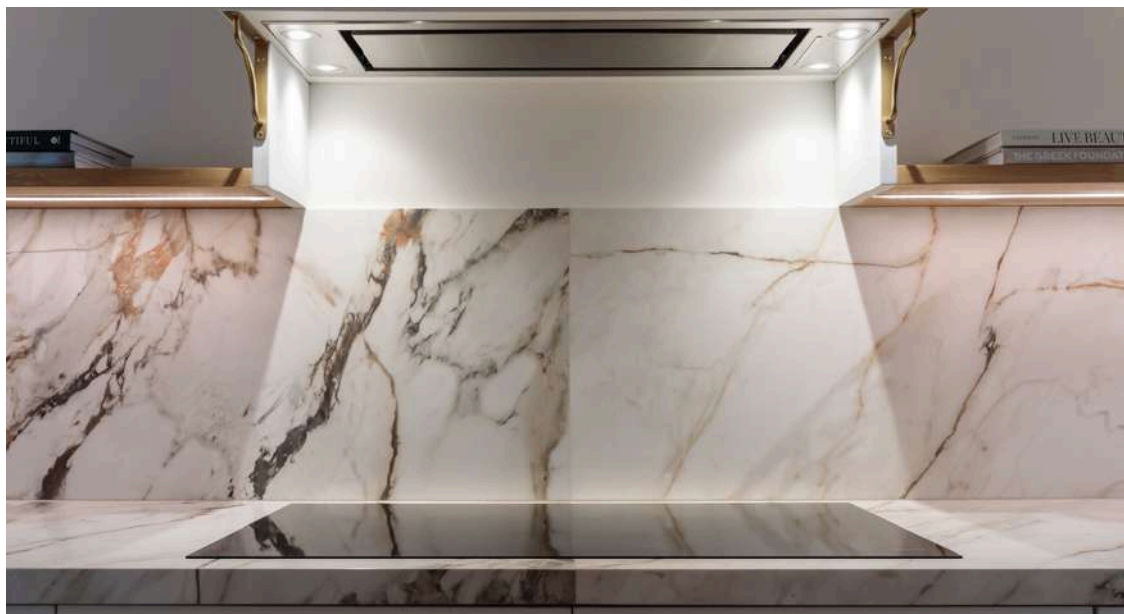

## Chiswick

This stunning project in Chiswick features white porcelain beveled handleless shaker doors, to create a classic yet minimalist space. The natural and luxurious feel is further enhanced by the combination of brass accents and warm oak.

An extraordinary pantry bar with pocket doors and innovative lighting highlights the area, adding to the inviting ambiance perfect for entertaining guests. The work surfaces, crafted from Neolith Calcutta Luxe, showcase luxurious veining to create a flawless finish to this Chiswick home.

# Sustainability with Arch KBB

We understand the importance of eco-friendly practices and are committed to sustainability in every aspect of our business. We partner with environmentally conscious suppliers who have earned titles such as 'Climate Neutral Manufacturer'. Our suppliers actively combat climate change through comprehensive sustainability strategies and dedicated tree-planting initiatives.

At Arch KBB, we are dedicated to building a sustainable future by empowering our customers to make greener choices for their homes, demonstrating that luxury and environmental responsibility can go hand in hand.
